2. 2023 BEAR Information Statement (retain for your records)

Banking Executive Accountability Regime (BEAR) Information Document – Retain for Your Records

1. Background

a. What is the Banking Executive Accountability Regime (BEAR)?

The Banking Executive Accountability Regime (BEAR) was introduced in February 2018 with effect from 1 July 2019 and is administered by the Australian Prudential Regulation Authority (APRA). APRA is the prudential regulator for authorised deposit-taking institutions (ADI's), which includes Dnister Ukrainian Credit Co-operative Ltd (Dnister). The purpose of the BEAR is to establish clear and heightened expectations of accountability for Directors and senior Executives of ADI's (Accountable Persons). The BEAR also sets out key obligations which must be met by ADIs and its Accountable Persons and the consequences where these obligations are not met. A key objective of the BEAR is therefore to improve the operating culture of ADIs by increasing transparency and accountability across the banking sector.

The key obligations under the BEAR are to ensure Dnister and its Accountable Persons:

- act with honesty, integrity and with due skill, care and diligence;
- deal with APRA in a way which is open, constructive and cooperative; and
- prevent matters from arising which impact the prudential standing or prudential reputation of Dnister.

b. Who does it apply to?

The BEAR applies to a person, including a senior Executive or Director, that falls within the definition of section 37BA of the Banking Act 1959 and is therefore an Accountable Person for Dnister. The general principle for an Accountable Person under the Act is a person who has actual or effective senior Executive responsibility for management or control of Dnister, or a substantial part of the operations of Dnister.

In accordance with the regime, any person at Dnister must be an Accountable Person if they fall into the following classes of Accountable Persons:

- all Directors of the Board of Dnister;
- individuals with actual or effective senior Executive responsibility for management or control of a significant or substantial part or aspect of the operations of Dnister; and
- individuals with senior Executive responsibility for one of the particular responsibilities specified in the Act.

	Person by a subsidiary that is not an ADI, the	
	subsidiary complies with the BEAR.]	

e. What are the consequences of non-compliance with the BEAR?

Serious consequences apply for non-compliance with the BEAR. For Dnister, APRA may apply to the Federal Court of Australia to seek pecuniary civil penalties up to a maximum of 50,000 penalty units or \$10.5m (based on the current value of a penalty unit at \$210) if it breaches its prudential obligations under the accountability regime. For Accountable Persons, in serious cases of non-compliance with accountability obligations, APRA may apply to the Federal Court of

Australia to seek pecuniary civil penalties up to a maximum of 5,000 penalty units or \$1.05m and disqualify that person from being an Accountable Person.

In addition, if Dnister allows a disqualified person to act as an Accountable Person, it will commit a strict liability offence and be liable for a penalty of 60 penalty units or \$12,600. In addition, it may also have committed a fault-based offence and be liable for a penalty of up to 250 penalty units or \$52,500. Accordingly, if an Accountable Person is disqualified by APRA, they will not be permitted to be an Accountable Person for Dnister, which may result in a breach of their employment contract and could result in termination of their employment with Dnister.

A breach of the BEAR obligations will be taken very seriously by Dnister. Therefore, in addition to any consequences which may be applied by APRA for non-compliance with the BEAR obligations, relevant employees of Dnister who do not comply with their BEAR obligations or who have willingly or materially contributed to or caused a breach of Dnister's BEAR obligations, will be subject to disciplinary action being taken by Dnister in accordance with its disciplinary policy and which may include the termination of their employment with Dnister.

2. Requirements for Dnister's AGM Election Process

a. What is the required process?

The required process is outlined as follows:

- Nominations Committee assesses the nominee as required under the Fit & Proper and BEAR Policy and makes recommendation to the Board;
- Board assesses the nominee and if accepted, approves the nominee to proceed with registration as Accountable Person of the Co-operative;
- All new Accountable Persons must then be registered with APRA at least 14 days before they can be appointed as an Accountable Person, and registration must be in the approved form as prescribed by APRA, including the following as a minimum:
 - a completed registration form;
 - > the Accountability Statement for the nominated Accountable Person; and
 - ➤ a signed declaration that the ADI is satisfied that the person is suitable to be an Accountable Person, which is made by the Chair of the relevant Board committee or a person delegated to sign on the Board's behalf.
- AGM is held and Directors are elected.

As an indicative timeline for the upcoming Director Elections:

- Nominations close as stated in the Advance Notice of Annual General Meeting;
- Nominations Committee meets as soon as practicable after the close of nominations;
- Where the nomination is accepted, the Accountable Person's Registration must be provided to APRA no later than 14 days prior to the Annual General Meeting (AGM);
- AGM is held as stated in the Advance Notice of Annual General Meeting; and
- If the nominee is elected as a Director at the AGM, APRA must be notified of the Director's Appointment as required under Prudential Standard CPS 520 Fit and Proper. ASIC also must be advised of the Director appointment at the same time, or within 14 days of the AGM being completed. Any Director retiring / being replaced will also require removing from the APRA and ASIC registers at this time; or
- If the nominee is unsuccessful, then the Accountable Person's registration with APRA will be withdrawn and no other changes required.

b. What are the implications for nominees?

In effect, a nominee must be accepted and appointed as an Accountable Person, and registered with APRA, at least 14 days prior to the AGM. If the nominee is then elected as a Director at the AGM, their appointment is effective immediately and they are only subject to the rights and obligations of a Director from that point in time.

c. What are the confidentiality requirements?

All communications between APRA and Dnister in relation to Accountable Persons are strictly confidential to those parties.

All communications between Dnister and the nominee are strictly confidential to those parties except for the obligations placed on Dnister to deal with APRA in an open, constructive and cooperative way, which includes relevant disclosures.

1 Introduction

Primary responsibility for ensuring the fitness and propriety of individuals holding responsible and accountable person positions within the Co-operative rests with the Co-operative's Board. As a result, the Board has adopted this Policy to "manage the risk to its business or financial standing" that persons acting in responsible and accountable person positions are fit and proper".

To achieve this objective, this Fit and Proper Policy sets out:

- 1. how the Board will ensure responsible and accountable persons are competent and act with honesty and integrity;
- 2. the matters the Co-operative will consider in determining if a person is fit and proper for a responsible and accountable person position;
- 3. the processes that will be followed by the Co-operative in assessing whether a responsible and accountable person is fit and proper;
- 4. the actions the Co-operative will take if it is not satisfied that a person is fit and proper for a responsible and accountable person position; and
- 5. is the approved list of responsible persons and the competency matrix as determined by the Cooperative in complying with its Fit & Proper and Banking Executive Accountability Regime Policy in appendix A.

1.1 Prudential Regulation

Prudential Standards CPS 520 and associated Guidance Notes

1.2 Banking Executive Accountability Regime (BEAR)

The Banking Executive Accountability Regime (BEAR) became operational in the Co-operative from 1 July 2019. The purpose of the BEAR is to establish clear and heightened expectations of accountability for directors and senior executives of Authorised Deposit Institutions (ADIs) (Accountable Persons). The BEAR also sets out key obligations which must be met by ADIs and its Accountable Persons and the consequences where these obligations are not met. A key objective of the BEAR is therefore to improve the operating culture of ADIs by increasing transparency and accountability across the banking sector.¹

The purpose of this Policy is to set out the principle obligations which are established under the BEAR, how the Co-operative implements these obligations and the Co-operative's expectations of its employees in following the spirit and intent of the regime.

1.3 Board Authority

The Board of Directors (the Board) originally adopted this policy statement on 20th Sept 2006, the latest approved version detailed in the Dnister Policy Register located at W/3Compliance/3.13Registers/Dnister Policy Register.

1.4 Reviews

The Board reviews and amends this policy, at least annually or more often should major changes occur during the period. A history of review of this policy and extent of recommended and ratified changes are Detailed in Schedule 1.

2 Application of this Policy

This policy applies the Co-operative, its responsible and accountable persons and (as applicable) all employees (including contractors and sub-contractors) of the Co-operative. A responsible person is:

- a Director of the Co-operative;
- a senior manager of the Co-operative; and / or
- an appointed auditor who prepares reports required under the Banking Act, 1959 (the Act).

An accountable person is:

- a Director of the Co-operative; and / or
- a senior manager of the Co-operative.

Definitions of the Fit & Proper positions, as well as a complete definition of a responsible / accountable person, are contained in chapter 11 definitions. It is worth noting a responsible / accountable person does not need to be an employee of the Co-operative (i.e. they can be a contractor or consultant).

¹ Explanatory Memorandum, Treasury Laws Amendment (Banking Executive Accountability and Related Measures) Bill 2017, p 9.

The Co-operative will maintain a current schedule of responsible and accountable persons and details of the competencies and training required for each position.

Section 1 Banking Executive Accountability Regime

3 BEAR Policy Statement

The Co-operative is committed to implementing and complying with its obligations under the BEAR including the accountability, remuneration, key personnel and notification obligations under the BEAR and the aspects covered in this and associated Policies.

Accountable Persons of the Co-operative must comply with their accountability obligations under the BEAR in the context of their particular responsibilities, as outlined in their Accountability Statement. Where an Accountable Person delegates their responsibilities, they are solely responsible for ensuring that their employees and direct reports comply with the BEAR obligations including (but not limited to) ensuring that appropriate arrangements, systems, and controls are in place to support their and the Co-operative's, ongoing compliance with the BEAR obligations.

Where a senior executive holds a position, which meets the criteria of an Accountable Person as defined by the BEAR, the Co-operative will ensure the relevant senior executive is appointed as an Accountable Person in accordance with the BEAR.

The key obligations under the BEAR are to ensure that the Co-operative and its Accountable Persons:

- act with honesty, integrity and with due skill, care, and diligence;
- deal with APRA in a way which is open, constructive, and cooperative; and
- prevent matters from arising which impact the prudential standing or prudential reputation of the Cooperative.

While the BEAR imposes specific obligations on the Co-operative and its Accountable Persons, all employees must act in a manner which is consistent with these obligations.

Under the BEAR, the Co-operative must not indemnify or ensure the ADI or any of its Accountable Persons from the consequences of breaching a BEAR obligation and therefore no protection will be provided by the Co-operative to any of its Accountable Persons for any such breach.

A more detailed summary of the BEAR obligations is set out in section 3.3 of this Policy.

3.1 Consequence of non-compliance

Serious consequences apply for noncompliance with the BEAR. In addition to existing informal and formal powers which can be used by APRA in implementing the BEAR, the following specific consequences may also apply:

3.1.1 Penalties

Non-compliance with BEAR obligations where the contravention "relates to prudential matter" attracts serious penalties for the Co-operative as follows:

[If medium sized organisation]

250,000 penalty units or \$55.5 million based on the current value of a penalty unit (\$222).

[If small sized organisation]

• 50,000 penalty units or \$11.1 million based on the current value of a penalty unit (\$222).

3.1.2 Disqualification

In addition to financial penalties which may be applied against the Co-operative, APRA can disqualify an Accountable Person if that person:

- has not complied with his or her accountability obligations; and
- having regard to the seriousness of the non-compliance, the disqualification is justified.

Also, if the Co-operative allows a disqualified person to act as an Accountable Person it will commit a strict liability offence and be liable for a penalty of 60 penalty units or \$13,320 (based on the current value of a

-

² Section 37G

penalty unit at \$222). In addition, it may also have committed a fault-based offence and be liable for a penalty of up to 250 penalty units or \$55,500 (based on the current value of a penalty unit at \$222).

Accordingly, if an Accountable Person is disqualified by APRA, they will not be permitted to be an Accountable Person for the Co-operative which may result in a breach of their employment contract and could result in termination of their employment with the Co-operative.

3.1.3 The Co-operative's Consequences

A breach of the BEAR obligations will be taken seriously by the Co-operative. Therefore, in addition to any consequences which may be applied by APRA for non-compliance with the BEAR obligations, relevant employees of the co-operative, who do not comply with their BEAR obligations or who have willingly or materially, contributed to or caused, a breach of the Co-operative's BEAR obligations, will be subject to disciplinary action being taken by it, in accordance with its Employee Handbook PER-001 and which may include the termination of their employment with the Co-operative.

3.2 BEAR Compliance Framework

The BEAR controls which have been directly established by the Co-operative to implement the BEAR consist of the following key measures:

- this BEAR Policy sets out the Co-operative's commitment to complying with the BEAR and how BEAR obligations have been implemented;
- the Co-operative's Accountability Map;
- Accountability Statements for each Accountable Person of the Co-operative;
- Corporate Governance Charter Section 5 Remuneration prescribes the minimum standards which must be applied when developing the remuneration and reward structure to ensure positive conduct and behaviour outcomes are achieved;
- **BEAR Training Program** ensures Directors, senior executives and employees of the Co-operative understand the BEAR and BEAR obligations;
- Incidents Management Framework (Breach Reporting) the framework for identifying and assessing incidents and in particular, sets out the process for identifying and assessing whether there has been a breach of BEAR obligations and reporting obligations for BEAR breaches;

In addition to the above controls there are a number of measures which are in place to support ongoing compliance with the BEAR obligations such as the Co-operative's Governance Framework, Risk Management Framework and Compliance Management Framework. These controls play an integral role in supporting the effective implementation of the BEAR and BEAR obligations. Further detail regarding the particular controls which relate to each BEAR obligation are provided in section 3.3 below.

3.3 BEAR Obligations

The BEAR sets out accountability obligations and operational obligations which apply to the Co-operative, Accountable Persons and (as applicable) its employees. The obligations are both systemic and prudential in nature. The obligations and key measures which are put in place by the Co-operative to comply with these obligations are summarised below:

3.3.1 Reasonable Steps

A number of BEAR obligations impose a standard of 'reasonable steps' to be taken by the Co-operative and/or each Accountable Person to comply with the obligation.

Reasonable steps in relation to a matter include (but are not limited to):

- appropriate governance, control, and risk management in relation to that matter;
- · safeguards against inappropriate delegations of responsibility in relation to that matter; and
- appropriate procedures for identifying and remediating problems that arise or may arise in relation to that matter.

Part 2 Fit and Proper Regime

4 Criteria for Assessment

4.1 Criteria for Assessment of Responsible Persons / Accountable Persons within the Co-operative

Responsible persons / Accountable persons within Co-operative must:

- possess the competence, character, diligence, honesty, integrity and judgement to perform properly their duties;
- not be disqualified from holding a responsible person / accountable person position under the *Banking Act, 1959;*
- ideally have no conflict of interest in performing the duties of the responsible person / accountable person position;
- if the person has a conflict of interest, it would be prudent for the Co-operative to conclude that the conflict will not create a material risk that the person will fail to perform properly the duties of the position; and
- for a senior manager be ordinarily resident in Australia.

A person will only be assessed as fit and proper for a responsible person / accountable person position within the Co-operative once all of these criteria are satisfied. The Co-operative will define questions that indicate the ability to meet the character component of these criteria. These questionnaires along with the competency and training requirements will be incorporated into the human resource and Director election practices of the Co-operative, wherever possible. They will always be integrated into the appointment process and the performance evaluation process for every responsible person / accountable person.

Notwithstanding these questions, criteria and processes, it is still a matter for the Board of the Co-operative to make the final decision as to whether or not a person is fit and proper; although, this decision may be over ridden by APRA.

Section 6 of this Policy details the process that will occur if a person is not found to be fit and proper.

4.2 Criteria Applying to Responsible Person Auditors

A person serving in a responsible person position as the Co-operative's auditor must also satisfy the criteria mentioned above in relation to responsible person positions within the Co-operative. In addition, to be considered fit and proper the person must:

- (a) be a registered auditor under the Corporations Act 2001;
- (b) be ordinarily resident in Australia;
- (c) be a member of a recognised professional body; and
- (d) have a minimum of 5 years relevant experience in the audit of ADIs (which would make it "prudent to conclude that the person is familiar with current issues in the audit of ADIs).

If the Co-operative believes that, despite not complying with the above criteria, there are exceptional circumstances that make it appropriate for a person to continue in a responsible person auditor position, that person may continue in the position and the Co-operative will promptly notify APRA "of which eligibility criteria are not satisfied and of the exceptional circumstances" that make it appropriate for that person to continue in the position. The person may continue to hold the responsible person auditor position until APRA notifies the Co-operative that it is inappropriate.

The Co-operative will define and maintain competency requirements, questions, criteria and tools for the assessment of responsible person auditors, incorporated in the assessment and appointment process.

5 Time for Conducting a Fit and Proper Assessment

Unless stated otherwise in accordance with this Policy, assessments of a person's fitness and propriety for a responsible person / accountable person position will be made:

- (a) prior to a person being appointed to a responsible person / accountable person position; and
- (b) annually (in August) after appointment to a responsible person / accountable person position.

Assessments of a person's fitness and propriety for a responsible person position will not necessarily be made prior to the appointment of that person to a responsible person position where:

(a) the person holds the position because of a resolution of members of the Co-operative; or

(b) because APRA has determined in writing that the person is a responsible person / accountable person, as the person plays a significant role in the management or control of the Co-operative, or the person's activities may materially impact on prudential matters.

In each of these cases, an assessment of the fitness and propriety of the person is required "to be completed within 28 days of the person becoming the holder of the responsible person / accountable person position".

The Co-operative may conduct reasonable limited checks on fitness and propriety of persons being appointed to responsible person / accountable person positions, if:

- (a) "the regulated institution could not reasonably have anticipated that it would need to appoint someone to the position with sufficient time to conduct a fit and proper assessment; and
- (b) the person holds the position on an interim basis for no more than 90 days or such longer period as APRA agrees in writing".

However, an assessment of the fitness and propriety of the person will be conducted in accordance with the usual procedures under this Policy as soon as practicable. This includes a full assessment of the fitness and propriety of a person holding an interim position, if that position will extend beyond 90 days or such longer period agreed by APRA in writing.

6 Process for Assessment of Fitness and Propriety

- (a) Assessments of fitness and propriety will be built into the Co-operative's recruitment and promotion processes for responsible person positions. In terms of recruitment, the assessment must include:
 - (i) Police checks;
 - (ii) Insolvency Check with Australian Financial Security Authority (AFSA)
 - (iii) Disqualification Register Check with APRA and ASIC
 - (iv) Checks on qualifications:
 - (v) Appropriate references being obtained
 - (vi) Checks through the AML / CTF program.
- (b) The process for determining the fitness and propriety of a person within the Co-operative being promoted to a responsible person / accountable person position will be the same with the exception of the advertisement of the position.

The authorised person who is responsible for conducting the assessment will vary depending on the responsible person / accountable person position being filled.

6.1 Persons Responsible for Conducting Fit and Proper Assessments

The Co-operative recognises that a number of people need to be involved in conducting assessments of the fitness and propriety of persons commencing employment in a responsible person / accountable person position as well as of persons holding those positions. Consequently, the Co-operative has assigned the following people responsibility for assessing the fitness and propriety of persons applying for or holding the specified responsible person / accountable person positions.

Responsible Person Position	Assessor
Candidates for election as Director	Corporate Governance Committee
Directors Annual Assessment	Corporate Governance Committee
Auditors	Audit Committee

Chief Executive Officer / Company Secretary	Corporate Governance Committee
Executive Management Team	Corporate Governance Committee
Other Management	Chief Executive Officer

6.2 Information to be Obtained by the Co-operative

The Co-operative requires candidates to complete a Responsible Person / Accountable Person Attestation that includes a declaration relating to the criteria APRA requires the Co-operative to consider when making an assessment of fitness and propriety.

As well as conducting interviews, the assessor will complete checks to ensure the candidate's skills and experience fulfil the competence requirements of the position.

All referees provided by the candidate will also be checked.

The Co-operative recognises that, to make a prudent assessment of a person's fitness and propriety, some of the information that it collects in relation to candidates will be "sensitive information as defined in the *Privacy Act* 1988" and may only be obtained with the consent of the candidate. The candidate will be requested to complete a Candidate Consent Form, which also allows the Co-operative to provide any information that it gathers to APRA.

All sensitive information obtained in relation to a candidate will be treated in accordance with the Co-operative's Privacy and Credit Reporting Policy (GOV-033) and Information Security Policy (GOV-060).

6.3 Annual Fit and Proper Assessments

Assessments of responsible persons / accountable persons holding responsible person / accountable person positions will be conducted on an annual basis in August.

The Co-operative has a check list for the annual fit and proper assessments.

Responsible persons / accountable persons are required to complete an annual attestation. This requires a responsible person / accountable person to declare that the information contained in the statutory declaration is true and correct. It also requires responsible persons / accountable persons to add details of additional qualifications, memberships or training they have obtained during the year as well as asking for any other information that may impact on their assessment as a fit and proper person.

If the Co-operative or the person responsible / accountable person for assessing the fitness and propriety of a responsible person / accountable person, "becomes aware of information that may result in the person being assessed as not fit and proper", a new fit and proper assessment will occur promptly in relation to the responsible person / accountable person. This will include undertaking reasonable inquiries and, if necessary, collecting sensitive personal information and will take into account the possible materiality of the matter.

6.4 Documentation of Fit and Proper Assessments

The Co-operative will document each fit and proper assessment conducted in accordance with this Fit and Proper Policy for each responsible person / accountable person and will retain such documentation for current responsible person / accountable person position and "recently past" responsible persons / accountable persons of the Co-operative. The Co-operative will also retain copies of "information considered in making the assessment". These documents will be stored in a locked filing cabinet by the Chief Risk Officer.

7 When a Responsible Person is not Fit and Proper

If, after the Co-operative has made reasonable enquiries into a person's background for the purpose of assessing them for a responsible person / accountable person position, the Co-operative does not consider the person to be fit and proper (or if a reasonable person in the Co-operative's position would hold that opinion), then the Co-operative will:

- (a) "take all steps it prudently can to ensure that the person is not appointed to, or for an existing responsible / accountable person, does not continue to hold, the responsible person / accountable person position"; or
- (b) if the Co-operative is "unable to refuse to make the appointment or remove the person" from the responsible person / accountable person position, it will notify APRA (refer to *Informing APRA of Certain Information* in this policy for details of the information to be given to APRA). The Co-operative will "not hinder APRA in exercising or considering the exercise of its powers of removal and disqualification in relation to the person".

The Co-operative must notify APRA "within 10 business days if it assesses that a responsible person / accountable person is not fit and proper".

8 Whistleblowing

As detailed in the Employee handbook PER-001, the Co-operative is committed to fulfilling its obligations under CPS 520 by ensuring a free flow of relevant information to relevant positions in the organisation. Therefore, in accordance with CPS 520, the Co-operative has developed the whistleblowing policy PER-081 (and associated confidential and secure mechanisms) to protect persons making reports to the Co-operative, APRA or other relevant regulatory authority about any non-compliance or unethical behaviour.

In particular the Co-operative encourages reporting of the following beliefs where they are held in good faith.

Reportable belief	Who should make the report	To whom the report should be made	What should be reported
A belief that a responsible person / accountable person does not meet the Cooperative's fit and proper criteria	Employees or Directors of the Co- operative	The person responsible for the assessment of the fitness and propriety of the responsible person / accountable person or APRA or both	The belief and the reasons for it
A belief that the Co- operative has not complied with CPS 520	Employees or Directors of the Co- operative or other persons	APRA	The belief and the reasons for it

To ensure that there can be full disclosure to APRA, the Co-operative will "not constrain, impede, restrict or discourage, whether by confidentiality clauses, policies or other means" a person with a belief that a responsible person / accountable person or the Co-operative has not complied with CPS520 "from disclosing information or providing documents to APRA".

Additionally, employees and all responsible persons / accountable persons will be provided with training in this policy at their induction. They will also be reminded of the policy during their performance evaluations that no person who makes a disclosure regarding compliance with CPS 520 will be "subject to, or threatened with, a detriment because of any notification" and that any person who held a responsible person / accountable person position may disclose information or provide documents to APRA "relating to their reasons for resignation, retirement or removal" or discuss the matter with APRA.

8.1 Investigation of the Belief

When a person (the whistleblower) reports a belief that a responsible person / accountable person does not meet the Co-operative's fit and proper criteria to the person responsible for making the assessment (the assessor), that assessor will keep the report "confidential and secure within the law" and will re-assess the responsible person's fit and proper status "with the objective of locating evidence that either substantiates or refutes the claims made by the whistleblower". If anonymity during the investigation cannot be maintained, a person may request relocation or a leave of absence.

Investigation of the report will include locating evidence, which may necessitate a request for more information from the whistleblower. The Co-operative will provide the whistleblowers with feedback on the investigation into the re-evaluation of the person's fit and proper assessment. The Co-operative will also provide the whistleblower with protection from retaliation. The identity or any information that could identify the whistleblower will not be released to any person who is not involved in the investigation or resolution of the matter.

The Co-operative will take all reasonable steps to ensure that no whistleblower making a disclosure to the Co-operative or to APRA is threatened with, a detriment such as dismissal, demotion, any form of harassment, discrimination or current or future bias, because of their report under this Fit and Proper Policy.

Should a person who has reported a belief that a person is not fit and proper, or a belief that the Co-operative is not complying with CPS 520, believe that they have experienced any such disadvantage, the person is encouraged to report this belief to a Director of the Co-operative, or APRA or both.

8.2 Abuse of Reporting Process

Abuse of the confidential reporting process will not be tolerated. Maliciously reporting unfounded allegations will be treated seriously. All reports made under the confidential reporting process must be made in good faith.

8.3 Monitoring and Training

The Co-operative will monitor and review these whistleblowing provisions annually to assess their effectiveness in encouraging the reporting of reportable beliefs, protection of persons making reports, investigating fairly and effectively, and rectifying mistaken assessments.

This monitoring will be facilitated by reports to the Board that will not compromise confidentiality.

Training and education regarding these provisions will be conducted on a regular basis, including practical advice and the criteria used to assess whether a person is a fit and proper person and encourage whistleblowing to its Directors and to those of its employees, "who are likely to have information relevant to fit and proper assessments".

9 Informing APRA of Certain Information

CPS 520 and BEAR impose on the Co-operative a number of obligations to notify APRA of certain information, in writing and, at times, in the prescribed manner, to ensure that all information provided to APRA remains current for all responsible persons. The Co-operative will make the policy available to any person upon request. A copy of the Fit and Proper and BEAR Policy will also be provided to all candidates for election as a Director "as soon as possible after the candidate is nominated" as well as to "any other person before an assessment of their fitness and propriety is conducted".
